(3) Lake Wylie Recreation has a capped millage of 10.0. This was done under referendum.								
(4) York Tech's value of a mill differs from the other incorporated areas of the County because industrial abatements are not considered in the calculation. Amount determined by Auditor.								

1. Assistant County Manager, Andy Merriman present the Fire Safety budget requests.
 - a. Fitch study is ongoing with special attention being given to Oakdale Fire Station because the Pennies for Progress expansion that will negatively impact Oakdale Fire Station.
 - b. Capital Improvement Plan should be final in the next couple of weeks. The following is being considered in the plan:
 - i. Type
 - ii. Frequency
 - iii. Assignment to station
 - iv. Millage impact
 - c. There are millage cap concerns with Oakdale at 5 mils and Lesslie at 4.9 mils. Options could be a financial district consolidation between Lesslie and Oakdale or a referendum to the voters.
 - d. Staff is recommending a .6 mil increase for the rural fire district to fund a volunteer incentive program for shift work, which would be allocated between all 16 departments, based on call volume.

Council requested that staff have a meeting with the Chief's Advisory Committee and the Justice and Public Safety Committee to discuss this information and report back to Council the outcome.
